

STUDENT DAY ACCESS

FREE Student Day Feb 5, 1-3 p.m.

San Diego Convention Center
Booth # 1839

Students are invited to learn more about roadway safety, discover the latest safety solutions, and capitalize on exciting innovations at North America's premier gathering to advance roadway safety.

- The California ATSSA Chapter will take students on a guided tour of the exhibition hall to learn about pavement design and markings, signs and signals, traffic control devices, guardrail and much more.
- After the tour, students have open access to explore the Traffic Expo until 5:30 p.m.
- Complimentary registration is provided for students using promo code: **2024CAStudent**. Complimentary day parking will be available upon request. *Check in at the registration area upon arrival and be prepared to show your student ID.*
