

# ATSSA's New Products Rollout Presentation Schedule

American Traffic Safety Services Association

49th Annual Convention & Traffic Expo

February 8-12, 2019 • Tampa Convention Center, Tampa, Florida

## Visit booth #148 to see innovative product presentations

See the latest in roadway safety design as ATSSA's New Products Rollout entrants introduce their new, innovative products. Join us for the first time ever on the show floor at booth #148 on Sunday, Feb. 10, 1:00-5:30 p.m. The event is open to all show attendees.

All products entered into ATSSA's New Products Rollout will be available for viewing during trade show hours at booth #148.

Check out the schedule of events below! For more information on these products, download the ATSSA Convention & Expo Mobile App and visit the product description page.
