Where
ROADWAY SAFETY
+ INNOVATION
intersect

Too Much to Take Home? Turn Extras into Impact.

Your unused items can help a local charity.

This year we are asking all exhibiting companies to donate any gently used items such as furniture, electronics, and office supplies to **City of Houston Reuse Warehouse** and the **Houston Food Bank - Food for Better Lives**. Your donations will provide essential resources to these charities and strengthen the local community by redirecting usable materials and using donations to provide funds that nourish families in need.

Please ensure that donation items are not broken, unusable or soiled. Items should be placed in one of the designated areas of the exhibit hall, see the red stars indicated below. These items can be dropped off any time between 1 and 5 p.m. on Tuesday, Feb. 25. All donations will be collected at 9 a.m. on Wednesday, Feb. 25.

If you need assistance moving your donated items, please stop by the Exhibitor Service Desk and a member of the T3 staff will assist you.

Thank you for your contribution!
